

Mousam Chatterjee

AI Filmmaker

Greater Noida, India | mousamchatterjee10@gmail.com

Portfolio: finestclients.com/aiportfolio.html | LinkedIn: linkedin.com/in/mousamch

AI filmmaker and video editor with formal training in animation filmmaking and a portfolio of self-directed advertising concepts. Works independently on AI-assisted production, spanning cinematic skincare stories, dialogue-free product comedy and character animation.

Selected AI Film Projects

Independent portfolio work. The brand films below are self-directed spec concepts.

Dermabay After Dark | Skincare spec film

Directed and produced a solo AI-assisted skincare concept using Seedance 2.5, built around a cinematic story and product reveal.

Uproot Clean | Product comedy spec film

Directed a dialogue-free pet-care comedy concept, carrying the story through visual action.

Rapido | Short-form comedy spec film

Directed a character-led comedy ad concept designed for short-form viewing.

The Ant | Character animation

Directed a character-animation short for the creative-film portfolio.

Professional Experience

Video Editor | **Newsreels Information Technology** | Feb 2023 - Jun 2023

Additional editing and animation experience

Jumbo: 2D Animator and Video Editor

Ascogent Creative Pvt.: Junior Video Editor
